Covians, along with their family and friends, enjoyed a star-spangled Fourth of July at Cabot Cove. Served hot off the grill, everyone enjoyed Cabot's famous BBQ ribs and chicken. The hamburgers were cooked to perfection, "delicious and juicy", raved everyone! The fun went on all day, we were thrilled to see so many of our loved ones take part in our patriotic celebration.

Bill, Pat, & Bob having a spectacular 4th, full of great conversation, fun, & laughter!

Enjoying a spectacular independence Day, Pat, Bob and his son, Bill, spent the day conversing over great food. The trio made this 4th one to remember, telling jokes, laughing, and bringing smiles to everyone.

New resident, Betty B., was excited to enjoy her first Covian BBQ. She invited her good friend, Kayann, and both had the best time taking part in the festivities. They said the BBQ was amazing and are looking forward to Cabot's future celebrations.

Looking fabulous, Lily and her daughter, Karen, were dressed to the nines in their patriotic shirts and necklaces. These lovely ladies enjoyed the party together and had a blast!

Thank you to everyone who joined us, making this Fourth of July a memorable, fun and special day! Please join us on the 14th for our Family & Friends Complimentary Italian Lunch. There will be plenty of great food and fun times!
