Covians Can Dance!

Last month our favorite dancers Gina and Luigi came back and put on yet another fantastic performance. Except this time the residents of Cabot decided to show off their own dance skills and everyone was amazed!

Check out Doris's fascinating footwork!

Our own Doris stunned audience members with her fascinating foot work and effortless gracefulness. She had the crowd cheering! She said this was a wonderful time and was pleased with her dance partners ability to keep up with her.

Elegant as always, Sunny showed Luigi just how to do a proper slow dance. He was taken away by her rhythm and was impressed with her dance skills, even learning a thing or two himself.

Elsie was amazed with the whole show and cannot wait to see them return. She said this was a fun time and she could not stop smiling.

Cabot is home to some of the most skilled dancers and they were more than happy to display their incredible talent. Bravo to all the Covian dancers! You guys made this show extra special.

Rumor has it that Gina and Luigi will be returning in December to put on a spectacular Christmas show, moving to the beat of your favorite holiday songs. We are all very much looking forward to their next performance.

Delightful Ladies

Covian ladies are always a delight. Whether it be going out on their weekly shopping trips, getting their nails done on Sundays, or dining out together at their favorite restaurants, these fabulous women always have a splendid time together.

Cabot loves to splurge on these fantastic ladies and take them out privately once a month for an all expenses paid lunch and a fun filled afternoon. Their day consists of a great lunch and some funny and intriguing conversation.

Lily invited her daughter Karen to the latest ladies lunch with the gals at Steak n' Shake. Lily loves spending the day with her daughter and Cabot was thrilled to have her along. They were joined with their friends Diane and Yvonne who both had a wonderful time. Yvonne got to try the new dark chocolate shake which she said is now her favorite.

Bingo buddies Mary and Nell spent the whole afternoon smiling and enjoying each others company. Mary was so happy she went, being her first time there she cant wait to go back.

Marilyn and Marion are always the first to sign up for the ladies luncheons. They love that Cabot hosts so many wonderful activities for them and find themselves in the middle off all the action!

Check this months calendar for more good times and some fun with your friends and family. Please sing up for the upcoming outings and lunches at the Front Desk or with Nathan.

Fetching Gentlemen

Cabot has the finest group of guys you will ever meet. Not only do they love to have fun they also like to hang out with one another. What better way than with the guys only monthly outings and lunches together.

This is an exclusive guys only group at Cabot that the gentlemen look forward to each month. They try new things and enjoy some fond moments with their pals.

Jim is a friendly guy who likes to bring the fun wherever he goes . He enjoys getting out and spending the afternoon with his best friends.

Jack joined new comer Ray for their first guys luncheon together recently. They had an absolute perfect time!

Resident Bill is always coming up with some brilliant ideas for things the guys can do. He knows all the best places in town and has a blast with his buddies.

John and Tom are two of the nicest guys you will ever meet and always bring with them some hilarious jokes and much laughter.

Treating the guys to a delicious lunch and some robust conversation is always a pleasure of Cabot. We are always looking forward to our next adventure.
