Luck of the Irish

Cabot's 2018 St. Patty's Day Celebration was one to remember. Many of our family and friends attended the complimentary meal and "Shamrock Shake Happy Hour". Serving home cooked corned beef, cabbage and Irish stew, everyone raved about Cabot's food for weeks.

Dressed in their finest green, Mickey and Mary had an absolute funfestive time partying! They both look absolutely stunning in green.

Not only did Dot get to celebrate St. Patrick's Day, she was thrilled to celebrate her brother-in-law Lou's 95th birthday. Cabot cut his cake and took a memorable photo of the two and wished him a very happy birthday.

Having the best time, Ginny and Ruth sang along to some foot tapping tunes and both agreed that the luck of the Irish was in that day!

Indulging in their shamrock shakes, Kay and Avis listened to the live music and enjoyed the happy hour!

Cabot's St. Patrick's Day was so much fun, Covians with their family and friends had the best time. We are all looking forward to this months Complimentary Easter Luncheon on Sunday April 1st. This is no April Fools!

Feels More Like Family

At Cabot Cove we take pride in ourselves and love to be referred to as "Covians". This term has great meaning in our hearts for all the residents and staff because it means you are part of a caring family.

Friendships are created and grown everyday at Cabot Cove. Shirley and Betty B. have known each other for some time now. Their friendship has blossomed and turned into something very beautiful. They are always there for one another and say that they feel more like family than anything. You can always catch these two eating lunch, going on outings, and enjoying activities together!

Its their fun and warmhearted personalities that created Jack and Yvonne's bond. They enjoy each others conversations and are both brilliant at trivia together. These two could take over the world if they wanted, but instead use their compassion to spread love to their fellow Covians.

We all have those special friends who we confide in and have all the love in the world for. It is because of all our wonderful friends that make Cabot Cove a family and a wonderful place to call home!

Rolling Out Some Fun

High rollers Emma and JoAnn have been throwing dice pretty impressively at Cabot's Left, Center, Right. Always having such a blast, these ladies have shown immense sportsmanship and really enjoy rolling out some memorable fun times together!

Miss Emma loves how much fun the game is and thinks half the fun is never knowing whether or not she's going to lose all her chips or win big! She has fallen in love with this game and has become one of Cabot's many renowned dice rollers.

High roller JoAnn decided to try her luck at the game and has been joining in every Monday morning since. She enjoys socializing with her friends as they joke around and laugh. With her fellow Covians by her side cheering her on she always has the best time!

These wonderful ladies would like to invite you all to the next game which we play every Monday at 10:30am. Hope to see you all there!
