Once a month the residents of Cabot Cove enjoy an afternoon full of fun, laughter and excitement at their highly anticipated "Covian Auction". Here everyone has the chance to bid on some amazing items from jewelry, home goods, clothing... to toiletries, snacks and much more. We are always looking forward to what will be on the auction block next, and best of all everyone goes home a winner!

This free Auction has always been one of JoAnn's most favorite activities. She enjoys the time socializing with her friends and bidding on her most desired items. Joann always knows just when to throw her paddle up!

Auctioneers Gordon and Mary think the variety of prizes are amazing. Mary likes to bid on her favorite chocolates, while Gordon goes for some assorted hard candies. These two always impress the crowd with their funny jokes and silly antics, we love you both!

Recently Marie C. got into a hilarious bidding war with one of her fellow Covians. The two laughed out loud after each time they raised the price, in the end Marie got her prized tissues and showed off her victory pose. As for her opponent, she bid and won the next box! Great job Marie!

Join the next auction this month on the 18th at 2:45pm. Come see what great merchandise we have just for you! We promise you a great afternoon with your friends and lots of great stuff to win. See you there!

# A Covian Mother's Day

Last month Cabot Cove celebrated Mother's Day with some pampering, manicures and ice cream sundaes. Many of the Covian mothers enjoyed a memorable afternoon out with their incredible families, while others were delighted to a just as good a time right here at home.

Joined by her amazing family, Jenny said she felt truly blessed to have all the people she loves celebrate with her. They all enjoyed a wonderful meal together at Cabot Cove.

After lunch Jenny's daughter Paula picked out the prettiest shade of nail polish for her mother's manicure. They talked and laughed the whole day, enjoying each others company, snapping some great photos, and showing Jenny just how much they all love her!

Surprised with a lovely card and gifts from her daughter Bonnie, Jeanne's face lit up and was thrilled as she was presented the thoughtful present. They both reminisced the day away while indulging in some manicures and scrumptious ice cream. We are so happy you ladies enjoyed your day!

To all of our wonderful mothers, you are always in our thoughts and will forever be an inspiration to us. You created a safe and love filled world for us to grow. Thank you for being the best mom, we love you!

## We Love That Old Time Rock & Roll

Covians took those old records off the shelf at a recent happy hour and had the most remarkable time. The Cruiser performed his incredible line up of our favorite tunes, including Bob Seger's "Old Time Rock and Roll". Which got all of us tapping our feet and singing along.

Dancing to the beat, Dot and Ruth showed off their incredible moves and stunned everyone with their fancy footwork. These ladies had an absolute blast dancing together. This dancing duo were applauded for their brilliant moves and rhythmic sway! You ladies were fantastic!

Inspired by the live music and the dancing duo, Avis stood up right on stage and got groovy with The Cruiser and his wife. She was the talk of the town after that and everyone thought her performance and boogie shoes were some of the best they have ever seen. You rocked Avis!

Enjoying the show Emma and Debbie were very impressed. They had such a fun time and are looking forward to the next happy hour. You can join these incredible ladies every Thursday at 3:00pm for Cabot Coves "Happy Hour". Enjoy live music, dancing, appetizers and Covian Cocktails!
