## Happy Birthday Hilda!

On behalf of Cabot Cove & her Covian Family, we all wish you a very happy and spectacular 100th Birthday Hilda!

Hilda was born on August 21st 1921. 100 years later she is thrilled to call Cabot Cove her home. Hilda has made many friends at Cabot. She especially enjoys playing bingo, and going out to lunch for pizza. When her son Gunther and Daughter-in-law Sue come to visit they enjoy talking about their travels and going through photographs. Hilda is a truly remarkable woman with a heart of gold!

We hope your day is filled with lots of love, laughter, and fun. May all your wishes come true, Happy Birthday to you Hilda, we all love you very much!

*Happy 100th Birthday  
Hilda!*

## Fitting Perfectly Together!

What do you get when you add two good friends and one jigsaw puzzle? A 550 piece good time! Puzzle masters/ best friends Micki and Edna inspired many of the Cabot Cove residents and staff to join together for a Covian Family activity.

Starting one Saturday afternoon Micki and Edna decided it would be fun to put a puzzle together. Micki connected the outside edges together, while Edna began on the landscape. While the puzzle began to grow so did everyone's interest.

Throughout the day more and more residents would stop by the table and add a few more pieces. Staff were drawn to the fun and bonded with many residents over the stunning masterpiece. As the following Saturday came, and with only a few more pieces left, Micki and Edna joined together to complete their work. Joining together not only the last two pieces, but also the whole Covian Family.

Join in every Saturday at 3:00pm to begin a new weekly puzzle!

## Celebrating a Covian 4th of July

Cabot's 4th of July celebration was one for the record books! With the over the top decorations, a saucy BBQ, and loads of fun with our friends, Covians enjoyed the amazing day together!

Lighting the sky on our 4th of July with their smiling faces, Rita and Pat J. joined the Star Spangled Decorating Committee to dress the building to the nines and created a patriotic scene!

Big fans of BBQ, Justine & MaryAnn enjoyed the delicious spread. From BBQ ribs and chicken, to hotdogs and hamburgers, they both savored the day with a side of coleslaw, potato salad and good times!

Flying her flag high, Jeanne F. had a blast! She indulged in some festive activities with her friends as they spent afternoon laughing and having fun!
