Everyone had a stomping good time at our annual country hoedown! Michael Belton entertained us with his awesome singing and jokes! Corn cob pipes and cowboy hats accessorized the party. The residents enjoyed apple cider punch and goodies. We can't forget about the candy corn too! Each table had a corn shucking contest that had everyone in laughter! Congratulations Barbara S on your fast hands at shucking and taking the first prize!

Micheal got everyone in to the party spirit with country songs & ended with God Bless the USA!

Daylight Savings Time

With fall upon us, a much wanted crisp breeze, and winter up north approaching it is almost time to set our clocks back an hour for Daylight Savings. 2024 Daylight Savings Time began March 12th at 2am, & will end on November 3rd at 2am. So be sure to set your watches back one hour on November 3rd when you go to bed.

Some clocks and watches, digital or analog can be a little tricky. If you need help setting the time, ask one of the Cabot Cove staff, they will be more than happy to assist you.

Most cellphones, cable boxes, and atomic clocks should change automatically.
