

CABOT COVE ASSISTED LIVING, LLC VISITATION POLICY

POLICY

It is our policy to ensure safe visitation to our residents consistent with the resident “Bill of Rights” F.S. 429.28. in addition to educating employees and visitors of residents on procedures related to infection control.

PROCEDURE

Florida State Bill (SB) 988, the No Patient Left Alone Act, guarantees Florida families the fundamental right to visit their loved ones who are receiving care in the hospital, hospices and a long-term care facilities. No health care facility in Florida may require a vaccine as a condition of visitation and every health care facility must allow their residents and patients to be hugged by their loved ones. SB 988 states health care facilities must allow in-person visitation in all of the following circumstances, unless the resident, client, or patient objects:

- End-of-life situations.
- A resident, client, or patient who was living with family before being admitted to the provider's care is struggling with the change in environment and lack of in-person family support.
- A resident, client, or patient is making one or more major medical decisions.
- A resident, client, or patient is experiencing emotional distress or grieving the loss of a family friend or family member who recently died.
- A resident, client, or patient needs cueing or encouragement to eat and drink which has previously been reported by a family member or care giver.
- A resident, client, or patient who used to talk and interact with others is seldom speaking.

Cabot Cove of Largo requires the following procedures to comply with Florida Statutes 400.022 (1) (b) and 429.98 (1). Before in-person visitation is permitted, all visitors and Essential Caregivers must adhere to the following:

1. Sign in upon entering the facility before interaction with others and sign out at the end of each visit.
2. Comply with the Infection Control of Education for Visitors, which may require visitors to wear PPE including a face mask and other necessary PPE and perform hand hygiene. Staff can demonstrate the proper usage of PPE. (Handout)
3. The visitor shall sign the policy acknowledging an understanding of the visitation policy. Failure to adhere in the policy shall result in suspension of in-person visitation.
