Cabot Cove 4th of July Party

Cabot's 4th of July luncheon & party was a great time! The residents decorated wheel chairs and walkers to add to the celebration. We dined on a spectacular luncheon, with loads of fun with our friends & family! Cabot Cove residents enjoyed the amazing day together!

The kitchen cooked up BBQ ribs and chicken, hotdogs and hamburgers, corn on the cob & coleslaw. Yum! Juicy watermelon for dessert made for a perfect day!

Michael Belton came and entertained us with his great singing and sense of humor! Everyone had a fantastic time at the 4th of July Party! Thank you everyone for making our Independence Day an entertaining and special celebration.

Candlelight Dinner

Cabot Cove will be hosting another magical candlelight dinner for all the residents. It is a black tie event and we encourage everyone to dress to the hilt! The theme of the evening is Hawaiian Luau! We will have a traditional Hawaiian meal along with a fun cocktail to enhance the Hawaiian adventure! We will have Luau music to make us feel right at home. We are looking forward to all the residents joining us at our annual August Candlelight Dinner. This dinner is for residents only. Family & friends are invited to the Birthday Luau Party on the 14th.

Arts, Crafts & More @ Cabot Cove!

At Cabot Cove, we enjoy our Wednesday outings to stores or restaurants. Last month we went to Dollar Tree & Hospice Thrift Store for shopping. We went to Applebee's & Acropol Greek restaurants for lunch! Everyone has a great time! We encourage more residents to participate in these fun outings. We also encourage family to meet us at these outings. The activity department is looking to hear your ideas of where to eat and shop, so contact Debbie if you have some good suggestions! Remember that the sign up book is in the front lobby area, so be sure to sign up by the day before the outing. Thank you to all who participate in our Wednesday outings!
