Resident Council Meeting 16th @ 10:30 am.

Everyone had a stomping good time at our annual country hoedown! Michael Belton entertained us with his awesome singing and jokes! Corn cob pipes and cowboy hats and hillbilly hats accessorized the party. The residents enjoyed Moonshine punch, candy apples and yummy cookies! The whole gang had a blast!

Daylight Savings Time

With fall upon us, a much wanted crisp breeze, and winter up north approaching, it is almost time to set our clocks back an hour for Daylight Savings. 2025 Daylight Savings Time began March 12th at 2am, & will end on November 2nd at 2am. So be sure to set your watches back one hour on November 2nd when you go to bed!

Some clocks and watches, digital or analog can be a little tricky. If you need help setting the time, ask one of the Cabot Cove staff, they will be more than happy to assist you.

Most cellphones, cable boxes, and atomic clocks should change automatically.
