General 14th @
10:15 am

Barbara with her big win in Carnival Bingo! Way to go!

Welcome Johannie Gutierrez!

Let us welcome our new Resident Care Coordinator, Johannie! She has been with us for a month now, and she is doing a great job! When you see her, give her a big shoutout!

Hello everyone! My name is **Johannie**, and I'm excited to introduce myself as the new **Resident Care Coordinator**.

I'm a proud mother of two and a grandmother to two beautiful grandchildren. Family is very important to me, and I believe that caring for others with kindness, patience, compassion, and respect is just as important.

I truly love what I do, and I'm very happy to be part of this community. I look forward to getting to know each of our residents, building meaningful relationships, and helping make a positive difference in their daily lives.

I'm grateful for the warm welcome and excited to begin this new chapter with all of you!

On Friday October 30th, we will be having our annual Halloween Party with Michael Belton! The time is 2:30 pm, dress in your scariest costume to win the Best Costume Award! Family & friends are encouraged to join in the fun! Lots of fun, spooky treats & great entertainment! Boo!!

Daylight Savings Time

With fall upon us, a much wanted crisp breeze, and winter up north approaching, it is almost time to set our clocks back an hour for Daylight Savings. 2026 Daylight Savings Time began on March 12th at 2am and will end on November 1st at 2am. Be sure to set your watches back one hour on October 31st when you go to bed!

Some clocks and watches, digital or analog can be a little tricky. If you need help setting the time, ask one of the Cabot Cove staff, they will be more than happy to assist you.

Most cellphones, cable boxes, and atomic clocks should change automatically.
